

THE CURRENCY STRIP

The first day at our new firm sees Principal Alame Duc redefining the Carry Trade concept...

Yes, thank you Mr Papadopolous we did receive your deposit...

and although we can never guarantee returns...

...we do have a very sophisticated black box trading operation...

...so your investment will be safe with us...

Later...

...when you've cleared this mess up please CARRY these Euros down to the bank and exchange them for anything.
